Annual
Report

Walworth- Seely Public Library

Where the community can
connect, create & discover

LETTER FROM THE DIRECTOR

2022 has been quite a year for our library! After breaking ground in January, our staff worked tirelessly to pack everything we own for storage (including the vast majority of our collection!). We moved into a temporary location provided by Mark's Pizzeria where we were able to offer limited services throughout construction. June through August were spent moving our furniture and collections back in while the contractors worked on the finishing touches. On August 27, 2022, we were finally able to host a Grand Reopening Celebration and show off our new space to the public for the first time.

This construction project included both an expansion and a complete renovation of the existing space. Some key features of the renovation include: a new ADA compliant circulation desk, an expanded children's area with a magnetic Children's Literacy Mural, updated staff kitchen/break area, new flooring & paint, and a drive up book drop. The expansion includes an enlarged meeting room with collapsible partition, staff offices, and dedicated storage space.

As we settle into our new space, we are loving seeing reactions from our patrons. It has been wonderful to have more space to work, especially when hosting in-person programs. We are very excited to continue sharing this space with the community for many years to come!

Anne Brown
